PROFILE

Energetic and eager to learn up and coming developer applying for a junior development job in order to build relationships and gain experience in the technology field. Committed to helping team in reaching goals and exceeding expectations.

EXPERIENCE

STEM Tutor, Somerset High School, Somerset, Tx — Aug 2015 - May 2016

Aided STEM teachers in planning and setting up labs along with helping underclass students with homework and assignments.

K1 Speed Pit Crew, K1 Speed, San Antonio, Tx — Nov 2016 - Feb 2017

Focused in showing members safety with electric go-karts and monitoring races in order to adjust for customer safety. Worked alongside a team in order to efficiently get racers in the drivers seat and have a memorable experience while visiting facility.

K1 Speed Mechanic, K1 Speed, San Antonio, Tx — Feb 2017 - Jun 2017

Worked along side a team of 2 other members in repairing and maintaining electric go-karts in order to ensure safety and performance for customers. Completed tasks given by Head-Mechanic and aided in facility maintenance.

K1 Speed Head Mechanic, K1 Speed, San Antonio, Tx — Jun 2017 - Jan 2018

Maintained and kept facility shop in clean working conditions. Supervised and managed 2 mechanics in maintaining and repairing karts in order to meet customer expectations. Biggest achievements include implementation of parts inventory and creating a simple system to track Preventative Maintenance on karts in order to efficiently complete tasks.

Sales Support, Fastenal Co, San Antonio, Tx — Feb 2018 - Jan 2019

Aided sales staff in supplying specialized customers with tools and hardware needed for their specific field. Also helped walk-in customers in finding items they were looking for whether it was a product we had or did not. Other tasks include running inventory checks, cleaning store front and full-filling orders from regular customers over the phone.

Flooring Contractor, Self-Employed, San Antonio, Tx — Jun 2016 - Present

Aid in running a family owned flooring business serving San Antonio and local areas in both residential and commercial applications. Along side manual labor and installation of products, I speak to customers in order to offer advice in product options, measure jobs, calculate estimates, send invoices and supervise that job and worksite standards are met.

SKILLS

Team Player:

Always working in groups, being a team player is a skill I have been able to sharpen. I believe working in a team is crucial in reaching goals and completing tasks above expectations.

Bilingual:

Fluent in both English and Spanish

Communication:

Along with being a team player, communication with a team or with superiors must be inevitable. I believe in always being in the loop with a project or task in order to be more efficient in doing ones job. Always being updated with due dates, questions or concerns on a project, and time frames is my strong suit.

Development Skills:

HTML, CSS, JavaScript, API's, Node.JS, Express, MySQL, React, Git
